All day resistency she lound the latter was a proper to be considered for a letter, and ahe often remarked, "I wondow will it doe't come."

"I wonder why it don't come."

When Pietson got home yesterday he found Mr. Libermood despondent. She spoke to him about no letter coming, and he told her it would probably be here to-day.

About 5,30 this morning Hugh Stinson and his stimulter, who live on the same floor, were awakened by a pistol shot, and found Mrs. Underwood lying in the hall outside oner room. She had sent a bullet into her right temple. Her husbands revolver my next to her. Engineer Pierson was aroused, and called Policeman Dorrian, who had the woman sent to Gouverneur Hospital.

In ner room was found a card, on which the uniortunate woman had written the following. It was addressed:

Mrs. Underwood always referred to Pierson

### WALL STREET IS EASIER.

Claveland's Deadlock Broken.
CLEVELAND, April 25.—The municipal deadlock, which has existed in this city since Mayor Bieo came into power on April 1, has at last been ended. At the meeting of the Council last night two Republicans greatry surprised their party associates by voting with the Democrats, thus confirming the nomination of Farley as Director of Public Works. The Board of Control is now complete and business will be transacted in due form.

tone pervaded the Wall street market this morning.

The belief is strong that the Administration will be able to make arrangements to keep the financial situation easy, either through an issue of bonds or by other arrangements with the New York banks.

There was good buying of stocks all the morning, and prices advanced 1-2 to 11-2 per cent. Around 11 o'clock New England suddenly broke from 32 1-4 to 29, but this had little effect on the general list.

The stock subsequently rallied over a point from the lowest.

No further gold engagements are reported for export, and the money market remains in an easy condition. All this assists in the restoration of confidence in financial and stock circles.

# HEARING FOR HARRIS.

Commissioner Raines Taking Testimony in the City Court.

Effort to Establish that Helen Petts Was a Morphine Eater,

Already to Extend Clemency.

The work of taking testimony for the purpose of determining whether Carlyle W. Harris, the condemned wife-poisoner, is entitled to Executive clemency on the appl made by his counsel, William F. Howe, wa begun this morning in Part III of the City Court by ex-Senator George Raines, of Rech eater, who was appointed a special commis

sioner by Goy. Flower for the purpose. Commissioner Raines reached this city from the City and to Sit Next the his home in Rochester last night and had a two-hours' conference with District-A Morne House

call in support of the amdavits forming the basis of his application for Executive ency for his client, namely important newly discovered evidence, were then disclosed and it was decided to begin the rehearing, which is almost equivalent to a new trial, without fail this morning.

District-Attorney Nicoll said that he would

and would in all probability call several witnesses in rebuttas.

Lawyer Howe was at his office early this
morning and had a consultation with Mrs.
Harris, the mother of the condemned youth,
and the order of calling the witnesses was
determined upon.

Although it could not be definitely learned
who the witnesses for Harris would be, it is
known that there will be at least thirty, but
the task of supplying the evidence that helen
lotts liarris was addicted to the morphine
habit will devolve on three witnesses.

With the cross-examination of these witnesses, in addition to those to be called by the

The appointment by Gov. Flower of a spe

time.

Furthermore, Mr. slowe declared that Mrs.
Potts on one occasion had remarked that Mrs.
Potts on one occasion had remarked that also had ner doubts about Helen kitting berself.
Commissioner Raines was inclined to consider the question proper, despite Mr. Wellman's objections on the ground of fliegal and immaterial evidence.

The Commissioner further explained that the score of his wiles is the matter on phesical contents. the scope of his duties in the matter enabled him to transcend the rules of evidence. The question was allowed, and Mr. Carman toid of a conversation she had with Mrs. Potts in

April, 1885.

Mrs. Potts called on her one day and, in speaking of Carlyle's conviction, said that while she was glad the trial ended, she hoped he would not be executed as she had doubts of the young man's guilf. It would drive her crazy if he were executed, as she was in doubt whether her daughter had killed herself.
